

Since version 011 object hash is enabled to reduce the pdf size when redundant images are used

This image below has a size of **10823 bytes**

So the object is being hashed and reused 3 times in this examples

The XObject always refers to the same object number.

Put '**?nohash**' to disable object hashing

A large, red, 3D-rendered text 'R&OS' with a slight shadow and a soft gradient, appearing to float in the air.A second, identical red 3D-rendered text 'R&OS' positioned below the first one, demonstrating object reuse.A third, identical red 3D-rendered text 'R&OS' positioned below the second one, further illustrating the reuse of the same object.
